SOURCE & VERIFICATION

Verified and sourced from authentic Islamic sources.

The hadith wording, source references and teaching notes have been checked with care. Authentic text is kept separate from interpretation and speculation.

WHY SUBSCRIBER-SUPPORTED

Producing each film and workbook takes considerable time, care and resources.

From research and writing through to design, editing, translation, artwork and final production, the work is created and managed by Deen in Motion Studios.

Our films and selected learning resources remain free, in sha' Allah.

There are also ongoing costs for software, production tools, voice work, hosting and continued development.

Subscriber support helps us cover these costs and continue creating high-quality Islamic films and learning resources.

IF COST IS A GENUINE BARRIER

We do not want a child, family, madrasah or school to miss out because they cannot afford a subscription. If you genuinely need free access, simply contact us. No proof is required.

THREE BIG IDEAS

1

WEALTH

Wealth becomes very abundant.

2

ZAKAH

A man tries to give his Zakah but cannot find someone to accept it.

3

ARABIA

The land of Arabia returns to meadows and rivers.

REMEMBER

We learn what the hadith says. We do not add dates, modern projects or guesses that the hadith itself does not give.
